RECOGNIZING GITANJALI RAO,
COLORADO'S 4TH DISTRICT CON-
GRESSIONAL APP CHALLENGE
WINNER

HON. KEN BUCK

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 28, 2021

Mr. BUCK. Madam Speaker, I rise today to recognize Ms. Gitanjali Rao for being selected as Colorado's 4th District Congressional App Challenge Winner. With one in five pre-teens in the U.S. reporting being cyberbullied, cyberbullying others, or having seen cyberbullying, Ms. Rao's app "Kindly" serves as a preventative measure to help protect America's children from this unfortunately common harassment.

Ms. Rao, a student at STEM School Highlands Ranch and TIME's 2020 Kid of the Year, created the app "Kindly", a one-of-a-kind app that uses artificial intelligence algorithms to detect and prevent cyberbullying at an early stage. Ms. Rao's commitment to young people affected by cyberbullying is a credit to her. Her hard work and ingenuity are showcased through this thoughtful, innovative app. She has shown true leadership in her community, and her app will help defeat cyberbullying around the country.

On behalf of the 4th Congressional District of Colorado, I extend my best wishes to Ms. Rao. Madam Speaker, it is an honor to recognize Ms. Rao for her great accomplishments.

IN HONOR OF NATIONAL ARAB
AMERICAN HERITAGE MONTH

HON. MARIE NEWMAN

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 28, 2021

Ms. NEWMAN. Madam Speaker, I rise to celebrate April as Arab American Heritage Month and honor the outstanding contributions that Arab Americans have made to this country.

For over a century, Arab Americans have been an integral part of virtually every aspect of American society, including medicine, law, business, education, technology, government, military service, and culture. The incredible contributions and heritage of Arab Americans have helped us build a better nation.

Men and women of Arab descent have strengthened their communities through involvement in community service and public life

and by sharing their rich culture and traditions with neighbors and friends. In Illinois' Third District, which has one of the largest concentrations of Palestinian, Jordanian, and Syrian Americans in the country, the Arab American community is a fundamental part of our civic life and culture.

Unfortunately, Arab Americans continue to face misconceptions, bigotry, and anti-Arab hate. These civil rights abuses, and instances of harmful stereotyping and bullying, must be combatted through education, awareness, and legislation.

Arab Americans join all Americans in the desire to see a peaceful and diverse society, where every individual is treated equally and feels safe; we must continue to work towards a future where every American is able to live free from discrimination.

I am proud to celebrate the extraordinary contributions Arab Americans have made to this country, and I am deeply honored to recognize National Arab American Heritage month this April.

Mrs. BUSTOS. Madam Speaker, I was unable to vote on the Legislative Day of April 19, 2021. For the purposes of supporting human rights around the world, had I been present for the roll call vote H. IN MEMORY OF MARY SOMERS
BALLARD

HON. ANDY BARR

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 28, 2021

Mr. BARR. Madam Speaker, I rise today to honor the life of Mrs. Mary Somers Ballard. Mrs. Ballard was born in Holyoke, Massachusetts on July 22nd, 1919. She passed away on April 14, 2021.

Mrs. Ballard was a descendant of two of the co-founders of Rhode Island. She was a proud New Englander who trained in nursing at Mercy Hospital in Springfield, Massachusetts. She enrolled at Boston University and worked at Massachusetts General Hospital. At the age of 23, she entered the U.S. Army Nurse Corps, 811th Air Evacuation Squadron. When asked why she joined the military, she said "We were at war. I joined the Army Air Corps because I thought I could make a contribution." First Lieutenant Somers served two years in England. Following D-Day, she cared for the wounded soldiers in hospital flights from France and Germany to England. Mrs. Somers was stationed with U.S. troops behind enemy lines during the Battle of the Bulge and entered Paris the day after its liberation. After the war, she remained in the reserves until she married.

First Lt. Somers met her physician husband, Captain Joseph Aloysius Ballard, while serving at the Chanute Field Army Hospital in Illinois. They married on April 2, 1948. Dr. and Mrs. Ballard made their home in Lexington, Kentucky, where they raised eight children and were active members of Christ the King Church. Mrs. Ballard had 17 grandchildren and 11 great-grandchildren, with 2 more expected in July. In 2015, at the age of 95, Mrs. Ballard threw out the first pitch at the Lexington Legends Military Appreciation Night to highlight Kentucky's women veterans.

It is my honor to recognize this amazing patriot, celebrate her life, and appreciate her for her service and sacrifice to our nation during World War II. As a part of "The Greatest Generation", Mrs. Ballard was an important part of the war effort to preserve the freedoms that we enjoy today. I am forever grateful for Americans like Mary Somers Ballard.

DISTRACTED DRIVING AWARENESS
MONTH

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 28, 2021

Mr. KRISHNAMOORTHY. Madam Speaker, I rise today to join thousands of organizations and individuals around the country in observation of Distracted Driving Awareness Month. Ten years ago, a mother who lost her daughter to a distracted driving crash successfully petitioned this body to have April officially designated as Distracted Driving Awareness Month. Unfortunately, we are still dealing with the impact of distracted driving on our roadways.

Research shows that using electronic devices increases cognitive distraction. This can be deadly on the road, where a split-second distraction can cause a crash. Approximately 3,142 people died in distraction affected driving crashes in 2019—that's eight people every day dying from a completely preventable cause—and this number is widely believed to be undercounted.

During the COVID-19 pandemic, the roads have become much more dangerous. Motor vehicle deaths in 2020 are estimated to be the highest in 13 years, despite dramatic drops in miles driven Americans stayed home. While it's too early to have a full understanding of what caused this increase in the number of people dying in crashes, distraction certainly played a part.

Recognizing these dangerous trends, I'm proud to be the leader of the SAFE TO DRIVE Act with my colleagues MIKE GALLAGHER and STEVE COHEN. SAFE TO DRIVE incentivizes states to pass laws eliminating distraction on our roadways. I hope my colleagues will join me in supporting passage of this legislation.

I encourage all motorists to commit to driving attentively and safely, without the distraction of cell phones or other devices. I also hope my colleagues will join me this month in raising awareness about this important issue. Do it for all of our constituents. Their lives are more valuable than any call, email, or text.

RECOGNIZING LIEUTENANT COLONEL MATTHEW D. GORSUCH

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 28, 2021

Mr. GARAMENDI. Madam Speaker, I rise today to recognize Lieutenant Colonel Matthew D. Gorsuch of the U.S. Air Force, upon his departure from the Department of the Air Force Directorate of Legislative Liaison. Assigned as a Liaison Officer to the U.S. House of Representatives, Lieutenant Colonel Gorsuch served as a critical bridge between key senior leaders within the Department of Defense, to include the Secretary of the Air Force, Chief of Staff of the Air Force, Chief of Space Operations and 147 assigned Members of Congress, to include the Speaker and the Chairman of the House Armed Services Committee. Over these past two years, he led international travel for four Speaker congressional delegations, including bi-lateral engagements with state leaders from the United Kingdom, France, and Poland, strengthening bonds with the North Atlantic Treaty Organization. His actions reinforced Federal priorities for both the fiscal years 2020 and 2021 National Defense Authorization Acts. He will be deeply missed after exceptional years of service.

Lieutenant Colonel Gorsuch is a native of Leoti, Kansas, and is a graduate of Oklahoma State University with a Bachelor's in Mechanical Engineering and a Master's of Business Administration. He is a 2018 graduated Defense Legislative Fellow.

Lieutenant Colonel Gorsuch began his career in 2003 at Vance Air Force Base, Oklahoma, as a First Assignment Instructor Pilot, and has since held numerous Special Operations assignments, flying the MC-130H Combat Talon II at Hurlburt Field, Florida, and Royal Air Force Mildenhall in the United Kingdom. Trusted for his tactical acumen, he was assigned as a Combat Air Advisor in the 711th Special Operations Squadron, the very same squadron he is departing the Legislative Liaison to Command. His extensive background in

aviation has been critical to our work in strengthening, recapitalizing, and building our Nation's air and space forces.

This moment is bittersweet, as we are deeply saddened to see Matt go. However, we are excited for what awaits him, wish him luck as he commands his prior unit, and look forward to seeing what his future holds.

Madam Speaker, on behalf of the U.S. Congress and a grateful Nation, I extend our deepest appreciation to Lieutenant Colonel Gorsuch for his dedicated service to the U.S. Air Force, U.S. House of Representatives, and to our Nation.

HONORING THE 175TH ANNIVER- SARY OF FREDERICKSBURG, TEXAS

HON. CHIP ROY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 28, 2021

Mr. ROY. Madam Speaker, I rise today to celebrate the 175th anniversary of Fredericksburg, Texas. Fredericksburg was founded on May 8, 1846, by Baron Otfried Hans von Meusebach as the second prominent German settlement in the Texas Hill Country. Those brave settlers established a cordial relationship with the local Comanche tribes allowing the town to grow into what it is today. Now many years later, Fredericksburg has grown into the national spotlight for its wonderful attractions and rich German-Texan culture.

Sites throughout Fredericksburg are near and dear to my heart. I love to visit Luckenbach dance hall with my family and listen to local songwriters cover Waylon Jennings and Willie Nelson. I recommend visiting fields of bluebonnets and wildflowers in the spring and enjoying some world-famous peaches in the summer. While some of the buildings and faces have changed in Fredericksburg, the people are still the same hardworking, friendly Texans who helped mold the state.

Fredericksburg is full of American history. Giants like Fleet Admiral Chester W. Nimitz call Fredericksburg home. Admiral Nimitz led American forces to victory in the battle of Midway, regarded as the most important battle in Naval History. The beautiful National Museum of the Pacific War, named in his honor, resides in downtown Fredericksburg.

Madam Speaker, it is my distinct honor to pay tribute to the many figures who helped shape the history of Fredericksburg. I want to extend my thanks to the Mayor and city leadership who have worked with me on important issues throughout my first two terms, and to groups like the Gillespie County Historical Society who work hard to preserve the history of the region. It is an immense privilege to serve those who will continue to shape the future of Fredericksburg, Texas for the next 175 years.

I hope my colleagues in the House of Representatives will join me in congratulating the town of Fredericksburg on this historic occasion.

IN RECOGNITION OF THE 77TH AN-
NIVERSARY OF EXERCISE TIGER

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 28, 2021

Mr. CLEAVER. Madam Speaker, it is with a deep and poignant gratitude that I rise today to celebrate the American heroes who lost their lives seventy-seven years ago during Exercise Tiger. Paving the way for the D-Day invasion that would take place on June 6, 1944, Exercise Tiger, while once kept secret, is now regarded as having been both a tragedy and a critically instructive component of the Allies' mission to end World War II. The lives lost on that fateful day were honored by the soldiers who learned from Exercise Tiger and carried their memory into battle during the liberation of France. It is a story we must never allow ourselves to forget.

Before the assembled British, Canadian, and American forces could carry out the D-Day invasion, 4,000 soldiers conducted a massive simulated landing to rehearse and prepare for that immeasurably vital military act. However, what started as a military exercise ended as one of the greatest military tragedies of World War II. The calm, dark night of April 28, 1944, burst into chaos and combat when German U-boats ambushed the Tank Landing Ships (LSTs) transporting American soldiers. Almost 750 American servicemen, including over 200 Missourians, would give their last full measure of devotion when their vessels were either destroyed or severely damaged. But Allied forces would not be deterred, as the brave soldiers on those vessels banded together to repel enemy attacks and move forward with their mission. Even in the face of immense loss, a well-equipped enemy force, and little help from nearby Allied forces, the tenacity and determination of the soldiers and sailors involved ensured that the landing operations would continue mere hours after the initial attack. Allied Commanders planning the eventual D-Day invasion learned from Exercise Tiger and incorporated new strategies to ensure soldiers would be protected from barrage before landing on the beach. Without the bravery of the forces that fought that day, it is possible that even more American, Canadian, and British lives would have been lost on D-Day, and that the invasion of France, which hinged on secrecy, speed, and synchronicity, would have failed. It is not hyperbole to say that the soldiers and sailors of Exercise Tiger changed the course of world history and that we are forever indebted to their sacrifice.

It is a time-honored tradition in the United States for us to gather and celebrate the heroism and sacrifices of the countless fathers, mothers, brothers, sisters, and children who have died to protect our nation from foreign and domestic threats. On the last Monday of May, thousands congregate to quietly observe and remember the names found on marble headstones cascading across Arlington National Cemetery. On the fourth day of July, we join friends and family for a celebration of our nation's independence. On each November 11th, we reach out to the veterans in our lives, thank them for their service, and if we are lucky, listen to their stories of service. Scattered between these national celebrations are memorials hosted in small towns and big cities
